

QUESTIONNAIRE ON THE MINING INFORMATION CENTER

This questionnaire is about the Mining Information Center (MIC). There is a separate questionnaire about the Museum if you have comments for that part of the Department. The data collected will be used at a conference on the future of the Arizona Department of Mines and Mineral Resources to which you are invited on March 31, 2007.

My connection to the ADMMR is (check as many as are applicable):

☐ Visitor

☐ Mining company employee

☐ Government employee

☐ Small mine operator

☐ Geological or mining consultant

☐ Mineral collector

☐ Other _____

☐ Volunteer

☐ Mining Information Center staff member

Please respond by making specific comments or suggestions for any or all of the following items (answer ones about which you have knowledge).

1. Improving or updating the MIC services:

2. Improving or updating the MIC educational and outreach activities:

3. Improving or updating the MIC facilities to 21st century standards (library, IT, etc):

4. Additions to the MIC staff:

(Continued on next page)

5. Capital improvements needed (new equipment such as microscopes, analytical equipment, computers, furniture, etc.):

6. Changes you envision for the MIC within:

a. the next five years:

b. the next ten years:

7. What do you think the goals of the MIC are, or should be?

8. How I and/or my category checked above can help the MIC achieve its goals:

9. Any other suggestions or comments for or about improving the MIC:

10. How do you envision the role of the Board of Governors in the MIC?

Please return this questionnaire if possible before January 20, 2007, otherwise certainly before March 31, to Madan Singh or Jacqueline Hall at Department of Mines and Mineral Resources, 1502 West Washington, Phoenix, Arizona 85007 or by FAX 602-255-3777.

Thank you for your help.
